Foreword

The Society of Women in Taxation (SWIT) consists of the female Members of the Chartered Institute of Taxation of Nigeria (CITN) and it is a special arm of the Institute. A core objective of establishing SWIT about twelve years ago was to join the globe in the wave of gender responsiveness and inclusiveness in participation and the gender mainstreaming call of the United Nations.

The SWIT Action Plan is an approach that helps to focus ideas and establish what steps the Society chooses to take, in order to achieve the set goals. It is a statement of what SWIT wants to achieve in the two-year period spanning 2021 to 2023, especially on career enhancement of their members, advocacy to relevant bodies, sensitization of the general public and schools, via programs on taxation, tax policies and guidelines, all towards national development.

In recent times, collaboration and networking has become the brain behind impact and success. Thus, this Action Plan will be useful to government bodies and parastatals, international Agencies, professional bodies, corporate institutions and other relevant organisations, who wish to partner with SWIT to jointly pursue their goals.

The Institute is happy to note the successive progress of SWIT over the years and commends the Society for being strategic and focused in putting this document together for the records of CITN and exposure to the larger world for collaboration and partnership.

It is my special privilege to expose SWIT to greater prospects, by assuring their prospective partners that the document is professionally put together and the authors of the contents are capable and ready to deliver success in the areas of activities herein highlighted.

The Institute is set to provide the leadership required for the achievement of the objectives of this plan, so as to ensure improvement in the economic growth of the nation, despite the current challenges brought about by the COVID-19 pandemic.

I salute the leadership of SWIT both at national and state levels, as well as the technical consultant, for the efforts deployed in the development of this document, the SWIT Action Plan.

**Chief Adesina Adedayo, mni, FCA, FCTI
15th President and Chairman of Council
Chartered Institute of Taxation of Nigeria.**

Acknowledgments

The Society of Women in Taxation (SWIT) Action Plan (2021 to 2023) is a document that spells out activities, costs and other resources required to achieve its set goal and objectives.

The process commenced with the engagement of a Management Consultant, who trained all SWIT National Officers and State Chapter Coordinators on the processes for developing Action Plans, at a physical workshop held in Abuja in November, 2021. Participants thereafter worked in four groups to brain storm and draw up proposed activities. Subsequently, the SWIT National Plan was developed through a series of virtual and face to face meetings, technical sessions and reviews anchored by a three-member committee. The creative skills and the determination of

SWIT leadership at the national and state levels were enhanced by the advantages of virtual connection advanced by the COVID-19 pandemic, with the Committee members connecting from various locations, for multiple reviews. This is a gain that has come to stay with all.

We express deep gratitude to our Consultant- Dr. Catherine Adegoke for the extensive and interactive training during the workshop and for painstakingly reviewing the draft national and state chapters' documents several times. It was a learning process that has enhanced our intellectual capacities.

We appreciate the Founding Fathers of the Chartered Institute of Taxation of Nigeria, for their great vision; the 9th President and Chairman of Council- Prince Rasaq 'Kunle Quadri, FCTI, for establishing SWIT in 2010; and to all the successive Past Presidents of CITN for their consistent support for the Society. The 15th President and Chairman of Council- Chief Adesina Adedayo, mni, FCA, FCTI has specifically made female gender responsiveness and inclusiveness his core agenda, and this has positioned SWIT in the front burner in the Institute, leading to unprecedented progress of the Society; we thank him most sincerely for his huge support.

Our immense gratitude goes to the Federal Inland Revenue Service (FIRS) under the able leadership of Mr. Muhammad Nami, FCTI- the President of Commonwealth Tax Administrators and SWIT Patron, especially for fully sponsoring the training and publication of the Action Plan. We thank the Past National Chairpersons of SWIT- Dr. Justina Okoror, FCTI, Barr. Ezinwa Okoroafor, FCTI and Hajia Kudirat Abdul-Hamid, FCTI for their dedication and service in running the Society progressively since inception.

We must acknowledge the invaluable contributions and commitment demonstrated by the SWIT Action Plan Committee, especially the lead, SWIT First Vice Chairperson- Mrs. Bosede Ikhonoba, FCTI and her team (Dr. Odunayo Ani, FCTI and Mrs Olaitan Babatunde, FCTI) who worked tirelessly to assemble, and later, edit the national and state chapters' action plans; thank you so much for your inputs and commitment.

We thank all the SWIT National Exco. and State Coordinators for their respective roles before and during the preparation of the Action Plan. Your dedication is deeply appreciated. We appreciate all stakeholders, and everyone else that have contributed towards achieving the feat of the first SWIT Action Plan; may God bless you abundantly. Above all, we thank God Almighty that bestows life and has given us the vision and ability to publish this Action Plan to share with prospective partners and collaborators.

With this document, SWIT has formally declared its Goal, Objectives and planned Activities for the periods described, making them explicit for the society to execute and report. The SWIT Action Plan (National and State Chapters) is an open ticket for the admission of relevant organizations and agencies, for partnerships and for mutual benefits.

Dr. Ruth Abiola Adimula, Esq., FCTI
4th National Chairperson
Society of Women in Taxation

SWIT NATIONAL ACTION PLAN (2021-2023)
